About LIT University

The Laxminarayan Institute of Technology (LIT) was established in 1942 at Nagpur. It was modeled on the lines of UDCT and HBTI with similar set up and similar courses. Dr. Robert Forster, who was the first Head of UDCT, was appointed as the Director of Laxminarayan Institute of Technology in 1945 to develop the Institute on the lines of UDCT Mumbai, now known as ICT University.

Laxminarayan Institute of Technology (LIT) which was a part of the Rashtrasant Tukadoji Maharaj Nagpur (RTMNU) University has been carved out of RTMNU as the Laxminarayan Innovation Technological (LIT) University, in consonance with the National Education Policy 2020 and the policies of the State Government to create Centers of Excellence in niche areas to promote research, innovation, infrastructure and incubation for overall growth of the State, to create new industries, entrepreneurs, employment and future-ready manpower for the Industry 4.0 and beyond during the **Amrut Mahotsava of Azadi**.

Administration

Hon. Chancellor

Shri Jishnu Dev Varma, the Hon'ble Governor of Maharashtra, is a distinguished personality hailing from the royal lineage of the Manikya dynasty of Tripura. Despite his royal heritage, Shri Jishnu Dev Varma remains remarkably humble, approachable, and eager to connect with people from all walks of life. He embarked on his political journey with the Bharatiya Janata Party (BJP) in 1993 and was elected as a National Council member representing Tripura. In 2018, Shri Jishnu Dev Varma contested the State Assembly Election from the 19 Charilam ST Constituency. Shri Jishnu Dev Varma began his journey as Deputy Chief Minister in 2018 after 25 years of Left Front rule in Tripura. During his five-year tenure, he focused on delivering projects, securing finances, and meeting deadlines. Bio Village 2.0, implemented successfully in Tripura, is an innovative initiative of Shri Varma ji aimed at promoting sustainable development in rural areas by integrating eco-friendly practices into agriculture, energy, and livelihood activities.His works, infused with vibrant themes, grace various tourist spots, temples, and public spaces, often in collaboration with Sanskar Bharati. A poet and writer of repute, his poetry in Bengali and English has touched the hearts of many. His works, notably featured in his books "Children of Water Goddess" and "Master of Time," are celebrated for their evocative and lyrical quality. In his own poetic words, he beautifully captures this outlook: "Let us carry hope in our souls, Not only for ourselves, But for those too, Who look upon us with hope." He possesses a deep and passionate commitment to Tribal Development, education, health, and art & culture. Shri Jishnu Dev Varma was appointed as Governor of Telangana on 31st July 2024. He took oath as the Governor of Maharashtra on the 10th of March 2026. Known for his affable personality, he enjoys engaging with people from all walks of life, always making time to connect with the common man. In his own words, his philosophy of life is "an opportunity to offer a healing touch to those living on the margins."

University Library

The LIT Library is important educational centre well equipped with the latest communication media and information Technologies like INFLIBNET, UGC INFONET Consortia, CD Rom database search OPAC, Internet browsing and it is connected through Campus/BSNL Leased Line.

Our Library is disseminating all kind of technical information to our students, faculty and other users. The library is linked with various consortiums for accessing on-line Journals. LIT library maintains around collections of 26199 Books and number of references Book, Theses, back volumes, Journals, CD ROM Database and e-resources.

Services

The Library is equipped with latest communication media and information. Technologies like web-based information, CD Rom search and internet browsing. The library is linked with various consortiums for online Journals. LIT library maintains around more than 26000 collections of books, theses, Dissertation, Journal volumes, CD ROM Database and other reference material.

E-Services

Internet Connectivity: BSNL/dedicated lease line, Internet browsing, Consortium of e- Resources in INFLIBNET

Online Journals

Journals are available on line through with; Springer links springer-verlag: American Institute of Physics, American Physical society, Annual Rewires, Cambridge University Press, Institute of Physics, JSTOR, Open Journals system @INFLIBNET Project Euclid, Royal society of Chemistry, Science Direct (10 subject) Collection Science, SCIENCE Direct Archive, (Basic collection) Taylor and Francis, Wiley Black well publishing, etc.

PAN Number	AKYPJ7180J
Employee ID (same as RTMNU)	8598
Date of Joining	24th April 2019
Date of Retirement	30/09/2050
Education Qualifications	Ph. D. Chemical Engineering
Work Experience - Teaching	7 Years
Work Experience - Research	5 Years
Work Experience - Industry	1 Year
Area of Specialization	Sustainability Assessment, Life cycle Assessment, GHG emissions evaluations
Courses taught	Transport Phenomena, Process Equipment Design, Advance Transport Phenomena Process Technology & Economics
Research guidance (Number of Students)	Nil
Ph.D. (Completed/ Ongoing)	Ongoing 01
Number of Research/Consultancy Projects Carried out	01
Total Research/Consultancy Grant obtained in Rs. Lakhs	Research Grant Received: Rs 2.80 Lakhs Consultancy Grant: Rs 1.88 lakhs
Patents (Filed & Granted)	Filed 05
Technology Transfer (If any, Give brief information)	Nil
Research Publications (No. of papers published in International Journals)	10

Education Qualifications	B. Tech (Oil Tech.), M. Tech (Oil Tech), Ph. D. (Chem Tech)
Work Experience - Teaching	13 Years
Work Experience - Research	16 Years
Work Experience - Industry	1.5 Years
Area of Specialization	Oil, Fats, Oleochemicals, Biofuels, Bio Lubricants, Paints, Bio Surfactants, Oleoresins, Speciality Chemicals, Non-traditional Oils, Renewable Energy Sources.
Courses taught	Basics of Oil and Fats, Refining of Oils, Modification of Oils and Fats, Technology of Cosmetics, Technology of Surfactants, Paints and Inks, Polymeric Surfactants, Essential Fatty Acids.
Research guidance (No. of Students)	06 Ph. D., 28 M. Tech, 02 M. E. (by Research)
Ph.D. (Completed/ Ongoing)	03 Completed / 03 Ongoing
Number of Research/Consultancy Projects Carried out	11
Total Research/Consultancy Grant obtained in Rs. Lakhs	Rs. 29.35 Lakhs
Patents (Filed & Granted)	03 Filed / 01 Granted
Technology Transfer (If any, Give brief information)	Valued added products from Nontraditional oils for livelihood development of tribals in Gadchiroli district via a **Technology Transfer project** with **Department of Forest Gadchiroli** Synthesis of Activated Carbon from Bamboo & Finding its Industrial Applications via a **Technology Transfer project** with **Maharashtra Bamboo Development Board** Development of Polymeric Surfactants based on carbohydrate for cleaning industries, **Technology Transfer project** with **Pitambari Industries Mumbai.**

Laxminarayan Innovation Technological University is committed to provide a place of work and study, free from sexual harassment, intimidation or exploitation. It is expected that all students, members of the faculty and officials will treat one another and visitors to college with respect. All members of the college, including those who are present for short term positions, are subject to this policy. The Objectives of the Committee is:

1. To prevent sexual harassment against women by promoting gender amity among students and employees.

2. To deal with cases of sexual harassment against women, in a time-bound manner.

3. To recommend to the Vice Chancellor the appropriate punitive action to be taken against the guilty party. The following committee is appointed to look after and deal the complaints received from the girl students and women employees of the University.

The term of office of the ICC will be three years from the date of notification. Notified on: 12th February 2024
